

## *Bruce Fite – Biography*

Bruce Fite began his professional music career after graduating college. He has shared the stage with National recording artists such as The Katinas, Justin McRoberts, Big Daddy Weave and Bigsby. Bruce has also performed at many local and regional church and school events, and he teams up regularly with FM 90.3 WJTL for various concert events. He has also been featured in the line up of Dutch Wonderland's Christian Family Fest in Lancaster, PA, as well as Hershey Park's Christian Family Day.

The music of Bruce Fite is best described by the words – Versatility & Fun. The ever-popular tunes from his debut CD, "Don't Put Your Cat in the Washing Machine", "Bread and Cereal", and "Photosynthesis" have kids and parents tapping their toes and learning important lessons along the way. Bruce's songs receive weekly airplay on the Kids' Cookie Break which airs Saturday mornings on WJTL and can be heard anywhere in the world via the web at [www.brucefite.com](http://www.brucefite.com) and [www.kidscookiebreak.com](http://www.kidscookiebreak.com).

On his debut children's album titled "Don't Put Your Cat in the Washing Machine", you'll find many styles such as: country-bluegrass, pop, rock, folk, and other genres. When he's not singing or spending time with his family, you'll find Bruce teaching K-5<sup>th</sup> grade general/choral music in Northern Maryland. In fact, Bruce's elementary school students are usually his first "audience" for new songs! His music is genuinely "kid-tested and approved." Kids also love the Bruce's children's book based on the hit song "Don't Put Your Cat in the Washing Machine."

If you've ever been to one of his concerts, or purchased one of his CD's, then you've gotten the chance to experience Bruce doing what he does best: teaching through his music, and having a ton of fun in the process.

One thing is for sure: Bruce Fite's music is good, clean fun for the whole family! Whether you see him at a school assembly, church event, library or anywhere else, your children will be singing his songs in the most unexpected places.

Bruce's music is featured online at CD Baby.com. Samples of his songs are available at [www.BruceFite.com](http://www.BruceFite.com), or you can download songs from iTunes and Rhapsody.

Bruce Fite helps kids to love reading with his fun, literacy-filled summer library programs. If you'd like to have Bruce come to your school, church, library, private party, or other event, Please visit [www.brucefite.com](http://www.brucefite.com).
